Dear Mr. Ulrich,

I am writing to express my interest in securing a job, such as your own, that allows me to travel, immerse myself in various cultures, and help people along the way. I heard about your work through my current leadership advisor, Jill Mortensen, whom I have been working closely over the past two years. When Mrs. Mortensen recommended I contact you, I knew immediately I met the qualifications necessary for this position.

Just as you have, I want to explore opportunities and cultures around the world. I believe that my resourcefulness, patience, and flexibility will allow me to work well with diverse groups of people. My time in the leadership program at Ripon High, one year as public relations and the next year as Senior Class Administrative Assistant, has allowed me to grow my organization and communication skills. Graduating with a 4.1 shows my strong work ethic and qualifications.

I would love the opportunity to further explain my qualifications for this role and discuss how I can contribute to this career path. You can contact me by email at emily.sesser@icloud.com or by phone, at (209)665-9653. I am looking forward to following up and speaking with you further. Thank you!  
Sincerely yours,

**Emily Sesser**
